

Title: POOLS- Producing Online ~~POOLS~~ Learning Systems

Project type : Leonardo da Vinci
Ref. no.: 2002-UK/05/B/F/LA-162_355

Coordinator: Sabhal Mòr Ostaig, UHI Millennium Institute, UK

Duration: 01.10.2005 – 30.09.2007

Actual stage: Finalised

Total value of the contract: 58,593 Euros

Total value for the UP : 58,455 Euro

Summary:

POOLS will provide pedagogical and methodological training and course materials which are communic

The project aims at making available e-learning source content, i.e. content pools, for six lesser taught languages.

Objectives:

The project seeks to help establish copyleft pools of learning content for vocational language education.

Expected outcomes:

The final products will include:

- Pools of online copyleft materials to be used during in-service teacher training courses and in teaching materials.
- Flexible competence based language teacher course modules on ICT methodologies and development of e-learning materials.
- A DVD with step by step instructions and examples on how to create multimedia online material;
- A course book (downloadable PDF file) with description of language teaching eLearning materials.
- A website, which will serve as a portal to clustering projects and other ICT and LA projects. The site will be available in all project languages.
